1. (Secret - JSW) Talked with Jay Sourwine, Senate Internal Security Subcommittee, advising him that in connection with the [redacted] case that after review of the letter from the individual to Senator Eastland of 20 July that it is the Agency's suggestion that the Committee, if possible, not reissue any subpoena since it appears obvious that the individual after four cancellations does not plan to attend. From our viewpoint, we would like to be free of a pending subpoena in the case so we may consider our next actions on their merits. Sourwine said he understood our position and he would discuss this with Chairman Eastland. I assured Sourwine of our willingness to cooperate and he stated he understood this indicating that on several occasions members of the press have queried him on the situation and he has told them that the Agency at all times has been cooperative. I requested Sourwine to let us know the decision and action of the Chairman.

2. (Unclassified - JSW) Mr. William Jordan of Senator Russell's office advised that Senator Russell had indicated he would see the Director some time this week and at the latest at 11 o'clock this Saturday morning. After checking the Director's schedule, I advised Jordan that the Director necessarily would be out of town on Saturday. Jordan said he understood and he would continue to try to work out something for one day during the week. ✓

3. (Internal Use Only - JSW) Don Smith, Bureau of the Budget, telephoned to inquire if we had received any word from the Congress on our 1965 budget. I indicated we had had no final word. Smith said he would appreciate being advised and in his absence advice to Bill Thomas as to any word received.
